ULTRAMX515 APPLICATION KIT

E-mail: info@ultramxseries.com Website: ultramxseries.com

Fresnillo , Zacatecas , Mexico

This is your official Application Kit for ULTRA MX 515. It contains all the information necessary for you to apply for an invitation to participate in this unique event. There are a few revisions this year; therefore, it is very important that you carefully read this entire kit before you actually complete the application.

QUALIFICATION FOR ENTRY

The selection of Invitees will be based upon the experience and other qualifications and criteria of each applicant. At a minimum it is expected that the applicant will have completed at least one iron distance race within the previous 18 months of the event being applied for. Other ultra-distance events are also considered as qualifiers assuming they have distances equal to or better than iron distances. Other solo ultra-distance events are considered if it is deemed they require the planning and training that would be of benefit to the athlete doing UTMX515.

The Application Review Committee's decision is final as to which applicants will receive an Invitation.

SOLO \$850 usd

Our pricing is an all inclusive price for staging the event, which includes some crew costs. NOT INCLUDED are the following: accommodation, transportation to and from the race venue, meals other than those listed as part of the entry fee, nutritional needs, other race supplies or vehicle rental.

INVITATION PROCESS

The Application Review Committee will review applications received and a decision made as to which shall be issued an invitation. The selection of Invitees will be based upon the experience and other qualifications and criteria of each applicant. Thus, the information that is provided with the application will be crucial. Special emphasis will be placed on the applicant's endurance activities to date and the ability to finish all three stages.

LIMITATION OF ENTRIES

The starting field will be limited to twenty (50) only entries. Entry will be by invitation only.

SUPPORT TEAM

Due to the length and nature of the event, it is mandatory that a support team of at least two (2) adult persons and no more than one automobile accompany each competitor throughout all stages of the event. The team member who is designated Team Captain will act as the official spokesperson for the athlete and team during the event and will be required to attend the pre-event briefing (other members are encouraged to attend). It is the responsibility of the competitor to cover ALL the expenses of the support team members unless otherwise agreed between them.

LAND CREWS

It is expected that most athletes will bring their own full or partial Land Crew; in fact it is recommended that you do so. However if it is not possible to bring your own full crew, then the organization will do its best to provide a crew or additional crew members for you.

UNUSED ITEMS & EXTRAS

There WILL NOT be any credits given for unused tickets, massages or any item included in the entry fee. You may order additional meal tickets, massages. crew shirts, etc. with your Invitation.

This event offers the well-trained and committed individual one of the greatest endurance challenges available anywhere in the world today. Before sending in your application, however, do not overlook (1) the need for proper care and training of your team members - you can not and will not make it without them, and (2) the considerable financial and personal commitments needed to successfully participate. Remember, too, that unless you have adequately planned and are sufficiently trained your ability to finish will not be good. Be advised that interest in this event has dramatically increased and delaying your application may result in non-acceptance. With these things in mind, it will be a pleasure to receive your application. Thank you for your interest and support.

Sincerely,

Van Sanchez
